## Electronics Policy

The purpose of the Electronics Policy at Carson High is promote student safety and focus on student learning at Carson High School. For the safety and welfare of our students, cell phones are permitted on campus—with limitations--but earbuds/headphones are NOT permitted on campus. All Cell phones and i-watches will be turned off and collected during formal assessments.

### **Cell Phones**

- Should be turned off or muted in the classroom
- Must NOT be visible in the classroom

### **Earbuds/Headphones**

- Are NOT allowed in student’s possession on campus
- Will be provided if needed to support student learning

### **Wearable Technology (e.g. i-Watch)**

- Should be placed in “airplane mode” in the classroom
- Must NOT be visible in the classroom

### **CHS Chromebooks**

- Are allowed in the classroom
- Usage permitted per teacher directions
- Usage may be monitored by Go Guardian at any time

Students who violate this policy face progressive discipline, including the confiscation of the cell phones and/or earbuds/headphones. Violations of the school’s Acceptable Use Policy (AUP) may result in students losing the privilege of using a school Chromebook or desktop computer.
